Frequently asked questions.

Everything you need to know before getting started.

Still have questions? **Talk to our team** →

What is Naano?

Naano is a B2B LinkedIn creator marketplace: companies discover and book vetted creators for sponsored LinkedIn campaigns, each at a fixed price per post set by the creator. The marketplace spans creators from niche voices with around 1,000 followers to established B2B creators with audiences of several hundred thousand.

How does Naano find the right creators?

Which networks do you support?

How does per-post pricing work?

How does attribution work?

Do you handle creator payouts?

What's the difference between Free and Done for you?

Can I upgrade or cancel anytime?

READY TO LAUNCH?

Your next creator campaign starts here.

Get a clear creator strategy, campaign format and estimated budget for your next launch.
